### Inkjet Ultra Cling Clear Vinyl

Use this media to make professional looking, clear, ultra removable labels or stickers. Ideal for clear interior window clings, or for white interior window clings when paired with a masking spray. Use our Ultra Cling material for any type of sign you wish to be self-adhesive and yet easily removable and reusable.

### General Description:

With this media you can make professional looking, clear, ultra removable labels or stickers. Ideal for clear interior window clings, or for white interior window clings when paired with a masking spray. Use our Ultra Cling material for any type of sign you wish to be self-adhesive and yet

easily removable and reusable.

#### Applications:

The most popular application for this media is for interior window stickers or decals. Using the Ultra Cling material and your inkjet printer you have everything you need to make clear window decals. Our customers use these decals for parking permits, oil change stickers, and organization or club automobile badges. Perfect for school fund raisers or ultra removable signs for any business office. Complementary

**Disclaimer:** We have tested our media in various personal inkjet printers with good results. The user of this paper/film must determine the suitability of this product before beginning production, using his equipment and method of application. The sellers and manufactures maximum obligation shall be to replace paper/film that has been found to be defective. Neither the manufacturer nor the seller shall be held liable for any injury, direct or consequential, arising out of the use of, or inability to use this paper/film.
